SCHOODIC
INSTITUTE
AT ACADIA NATIONAL PARK

Celebrate Winter at Acadia!

Schoodic Institute is excited about the winter season ahead, and announcing a first Schoodic Institute Winter Festival to help celebrate the season. Join Bernd Heinrich and a great cast of instructors for the festival! See all the details, and share the news.

If you have not done so already, please join in our efforts! Contributions before year end will qualify you as inaugural members of Schoodic Institute. Please join me in generously supporting our important work for children and the future of our Park and region. Thank you, and my best wishes to all of you for the holidays!
